END-OF-LINE [PACKAGING]
PERFORMANCE

Fully Automatic
Strapping Machine

Standard 6 SoniXs® Ultrasonic Sealer

One-Size Track Width

Cycle Rate Up To
12 Seconds Per Strap

Machine Options Available

EAM MOSCA®

LSV-2 SoniXs

FULLY AUTOMATIC STRAPPING MACHINE ENGINEERED SPECIFICALLY FOR SIGNATURES

The LSV-2 SoniXs strapping machine features Mosca's high performing Sonixs® ultrasonic strapping head in an all-welded frame assembly. The strapper can be coupled with stackers to provide a significantly better means of strapping signatures. Casters are also featured, allowing the operator to roll machine in and out of position as needed.

The Ultimate Strap Sealing Solution

Mosca's proprietary SoniXs® ultrasonic sealing heads have revolutionized strapping systems offering significant and proven advantages over traditional heat-seal technologies, including cost, maintenance, and longevity across all industries and applications.

Unlike heat seal systems, SoniXs® strap seals are made without the use of high-temperature components, reducing energy costs, improving safety, and generating lower emissions.

A SoniXs® seal is harder to break, and the visible evidence of a break is irreversible. The distinctive impression on Mosca's ultrasonically-sealed strap makes it easy to identify if the packaging has been tampered with. The seal will be distinguishably different if a strap is removed and reapplied.

Key Benefits

- + INCREASED SEAL STRENGTH
 - + COST SAVINGS
 - + LASTING DURABILITY
 - + CONSISTENT SEALING
 - + WORRY-FREE PRODUCT SECUREMENT
 - + ENERGY CONSERVATION
 - + LOW MAINTENANCE
 - + SEALS BOTH PP AND PET
-

TECHNICAL SPECIFICATIONS

Production Rate

Cycle rate up to 12 seconds per strap

Track Size

Modular track system can be built in sizes from
900mm wide x 1000mm high to 3150mm wide x 3000mm
high in 250mm increments
Special sizes available on request

Electrical

230V or 460V, 3 Ph, 60 Hz
Optional 575V, 3 Ph, 60 Hz.

Strapping

SoniXs® sealer runs PP strap from 11-12mm and select
PET straps.

Strap Tension

Up to 250 Lbs.

Strap Seal

SoniXs® ultrasonic seal

Seal Location

Side

Machine Shipping Weight

Approx. 750 Lbs. on pallet

Casters

Two swivel-lock casters, Two fixed casters

OPTIONS

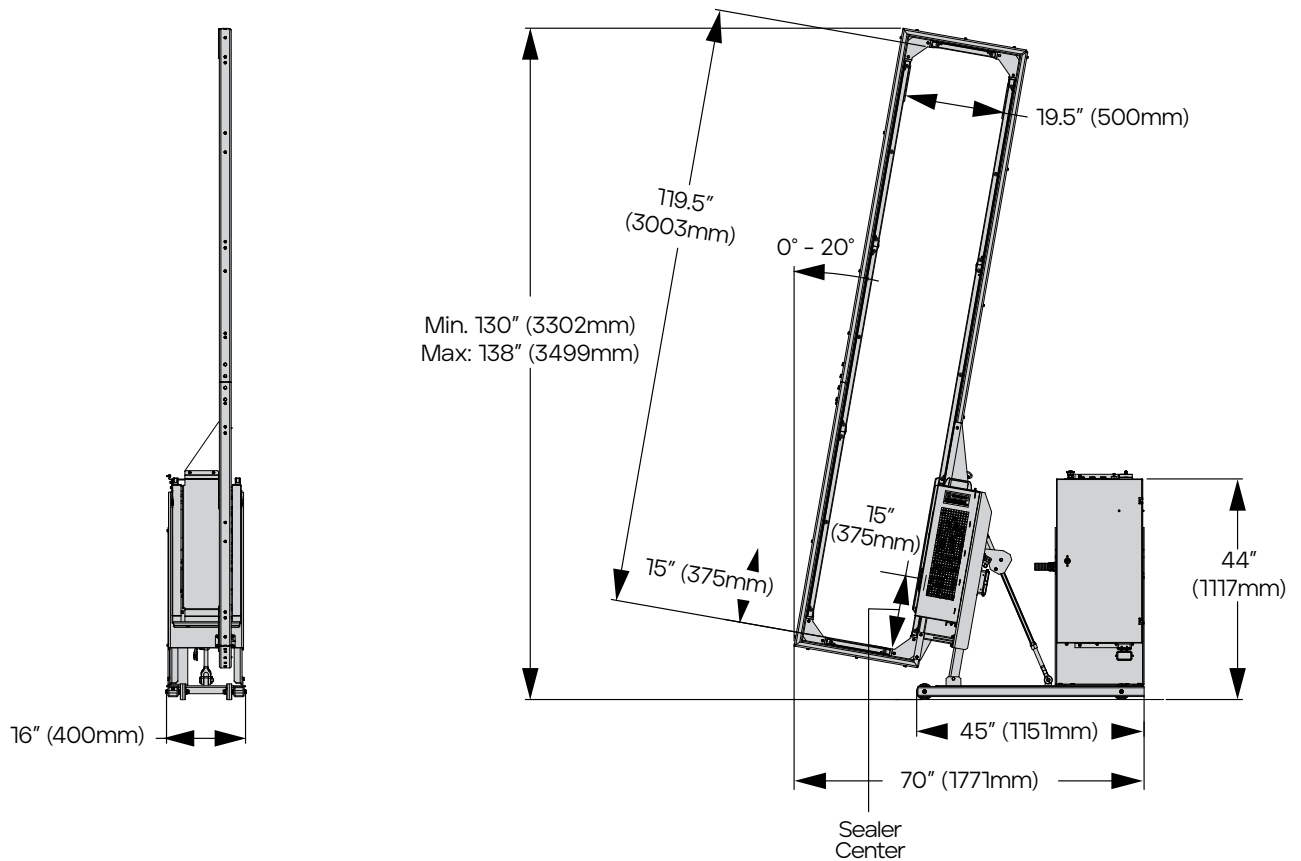

- + Out of Strap Sensor
- + Special Paint
