

TR-6 SoniXs[®]

Strapping Machine

KEY FEATURES

A

Fully Automatic

Standard 6 Sealer

Up to 1000mm Wide

Up To 40

Optional Pneumatic Press and Backstops

Application: Bundle | Close

The TR-6 SoniXs[®] fully automatic strapping machine is available in two convenient configurations, base and pro for maximum flexibility, and combines high-speed with low-cost and reliability. Leading/trailing strap placement options as standard. Mosca's proprietary SoniXs[®] ultrasonic sealing technology creates a reliable, strong seal with increased cycle life, no warm up required, reduced cleaning and preventive maintenance.
